**Schedule subject to change

As long as you are careful and watch for traffic feel free to stand in our driveway or in front of the lights off the street. Please do not turn up any music device too loud as to disturb neighbors. If you see me outside, feel free to say hello. Merry Christmas.

WARNING: Remain off the yard as there are many trip hazards and electric cords carrying high voltage and the threat of electric shock exists. This is especially true when inclement weather is present.
